Addendum #1
ITB 261001
VOTER REGISTRATION CERTIFICATES

The following shall be incorporated into ITB 261001 – Voter Registration Certificates.

1. Is there an in-state vendor limitation?

Answer: No. There are multiple certified vendors that are out of state.

2. Do the blank certificates require perforation to separate the certificates from the printed sheet?

Answer: Yes. We can provide an example if needed.

3. What is the expected award date?

Answer: We anticipate award to be November 24, 2025.

4. Who was your previous vendor?

Answer: Our previous vendor was AMG Printing & Mailing.

5. May we have a copy of current vendor prices?

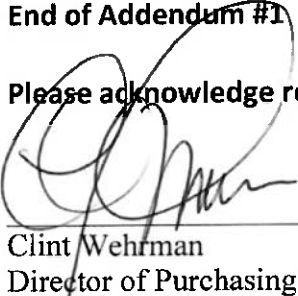

Answer: Yes. Please see attached Bid summary from our previous ITB.

6. May we mail the project through our local USPS distribution center with our Mail Anywhere status? USPS Mail Anywhere is a special certification that allows us to deliver pre-sorted mail using the jurisdiction's postal permit, postage stamp, and return address. This is the standard and most cost-effective option for the jurisdiction. Or should the mail be shipped to the jurisdiction's USPS location for additional freight cost?

Answer: Yes. Vendors can use their local USPS as it will save money.
